

# ARE YOU HOMELESS? DOUBLED UP WITH FAMILY OR FRIENDS?

**Family Promise** is a program for working families with dependent children who are currently experiencing homelessness and have a desire to change their lives.

We provide a safe place to stay in an environment which is encouraging and supportive. Our program offers families the opportunity to access resources, develop new skills and, with the help of caring family case managers, create a plan that empowers them to move toward self-sufficiency.

## OPPORTUNITIES TO GROW:

- Intensive case management
- Life coaching
- Empowerment workshops
- Money management classes
- Job readiness instruction
- Savings plan
