FOCUS
Children's Therapy Center

FOCUS Children's Therapy Center's multi-disciplinary team approach helps each child reach his or her full potential. We are committed to all children with mild to moderate developmental delays such as ADHD, autism spectrum disorder (ASD), learning disabilities (LD), sensory processing disorder (SPD), language and speech delays, anxiety, and depression.

We are proud to provide high-quality services by trained professionals, dedicated and enthusiastic about treating children—at home, at school, or at our center.
